A MATERIAL BOLEO WORLD

Using a "life-cycle assessment," we carefully examine every stage of life for our products, looking for ways to reduce our environmental footprint while improving their performance and durability

VISION IS THE WORLD COME ON, TAKE A CLOSE LOOK!

CHALLENGE THE LIMIT AND EXCEED OURSELF

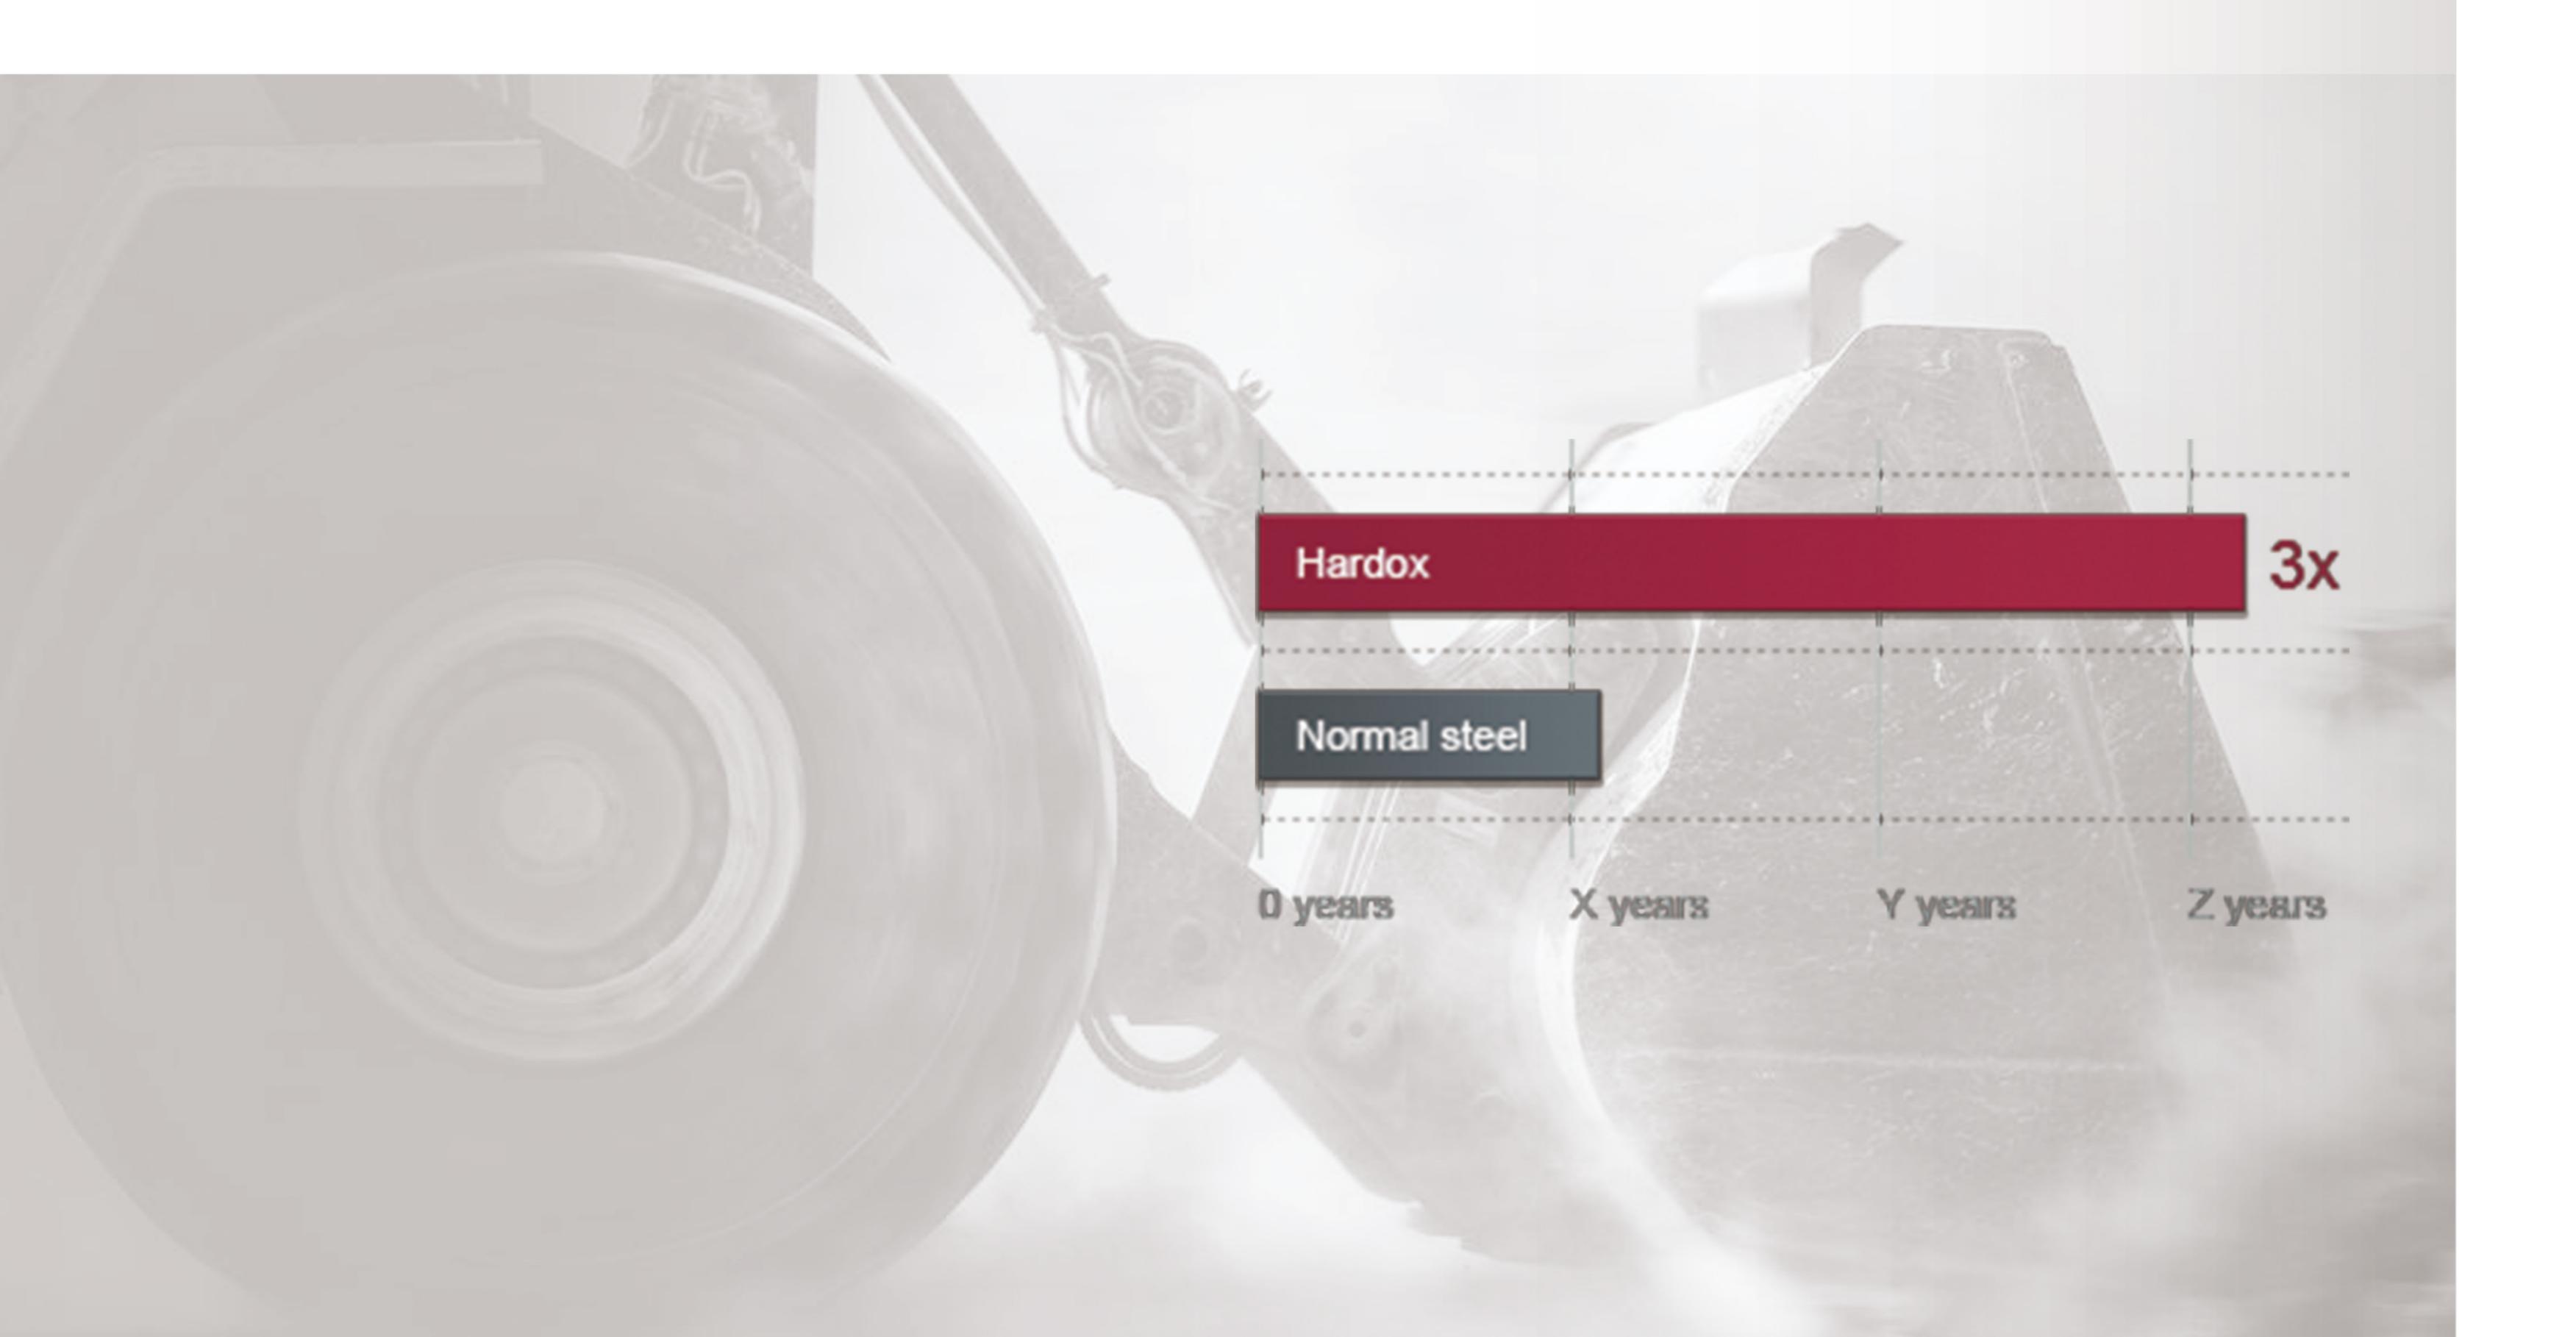

-Weld Fixture to ensure consistent user assembly and a quality fit.

-Good type of Preparation and Powder Coat Processes, can avoid paint issues.

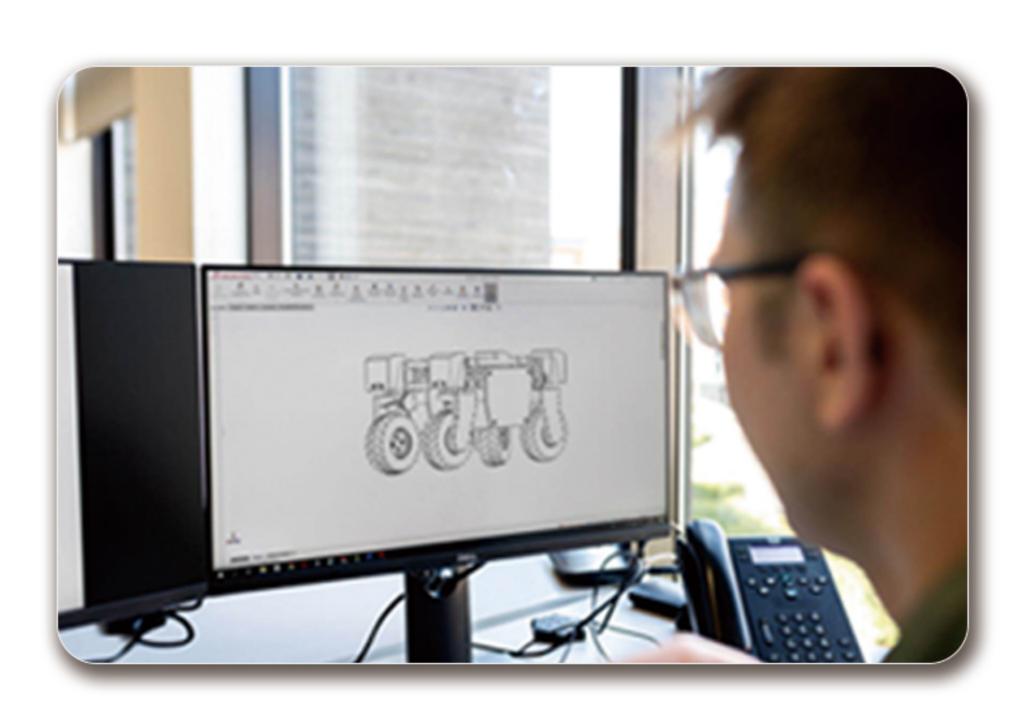

As a professional wear-resistant processing service center, our technology and hardware facilities have passed the strict requirements of the Hardox official, and the Hardox official provides us with comprehensive technical support!

In terms of software, we use WearCalc 2.1 to select the right hand plate for you. In terms of hardware, we use advanced 3D CNC cutting machines to process high-precision and reliable wear plates for you!

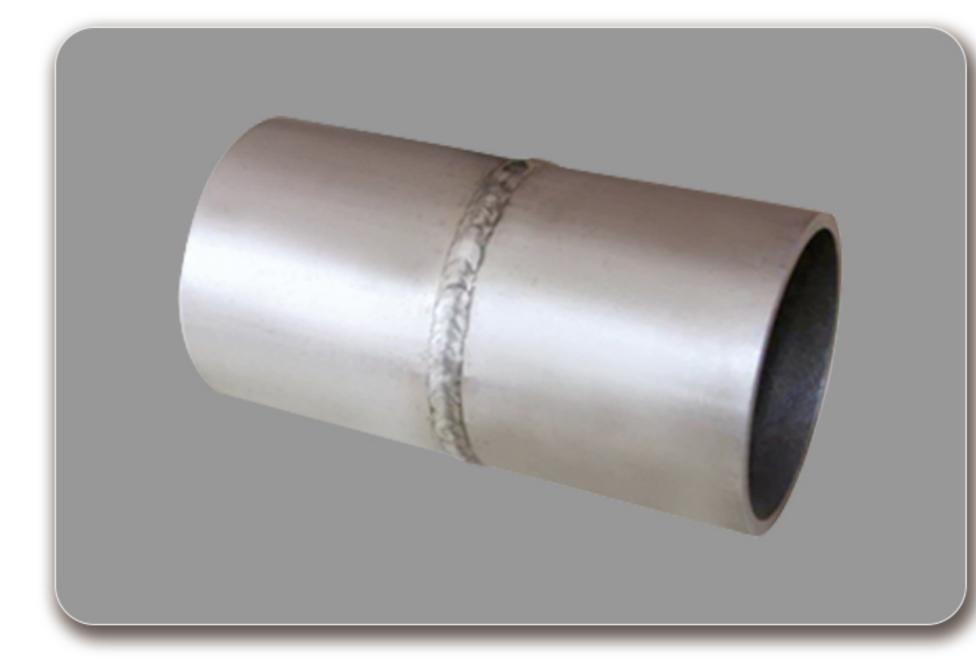

UNIQUE BRAND AND ORIGINAL IDEA

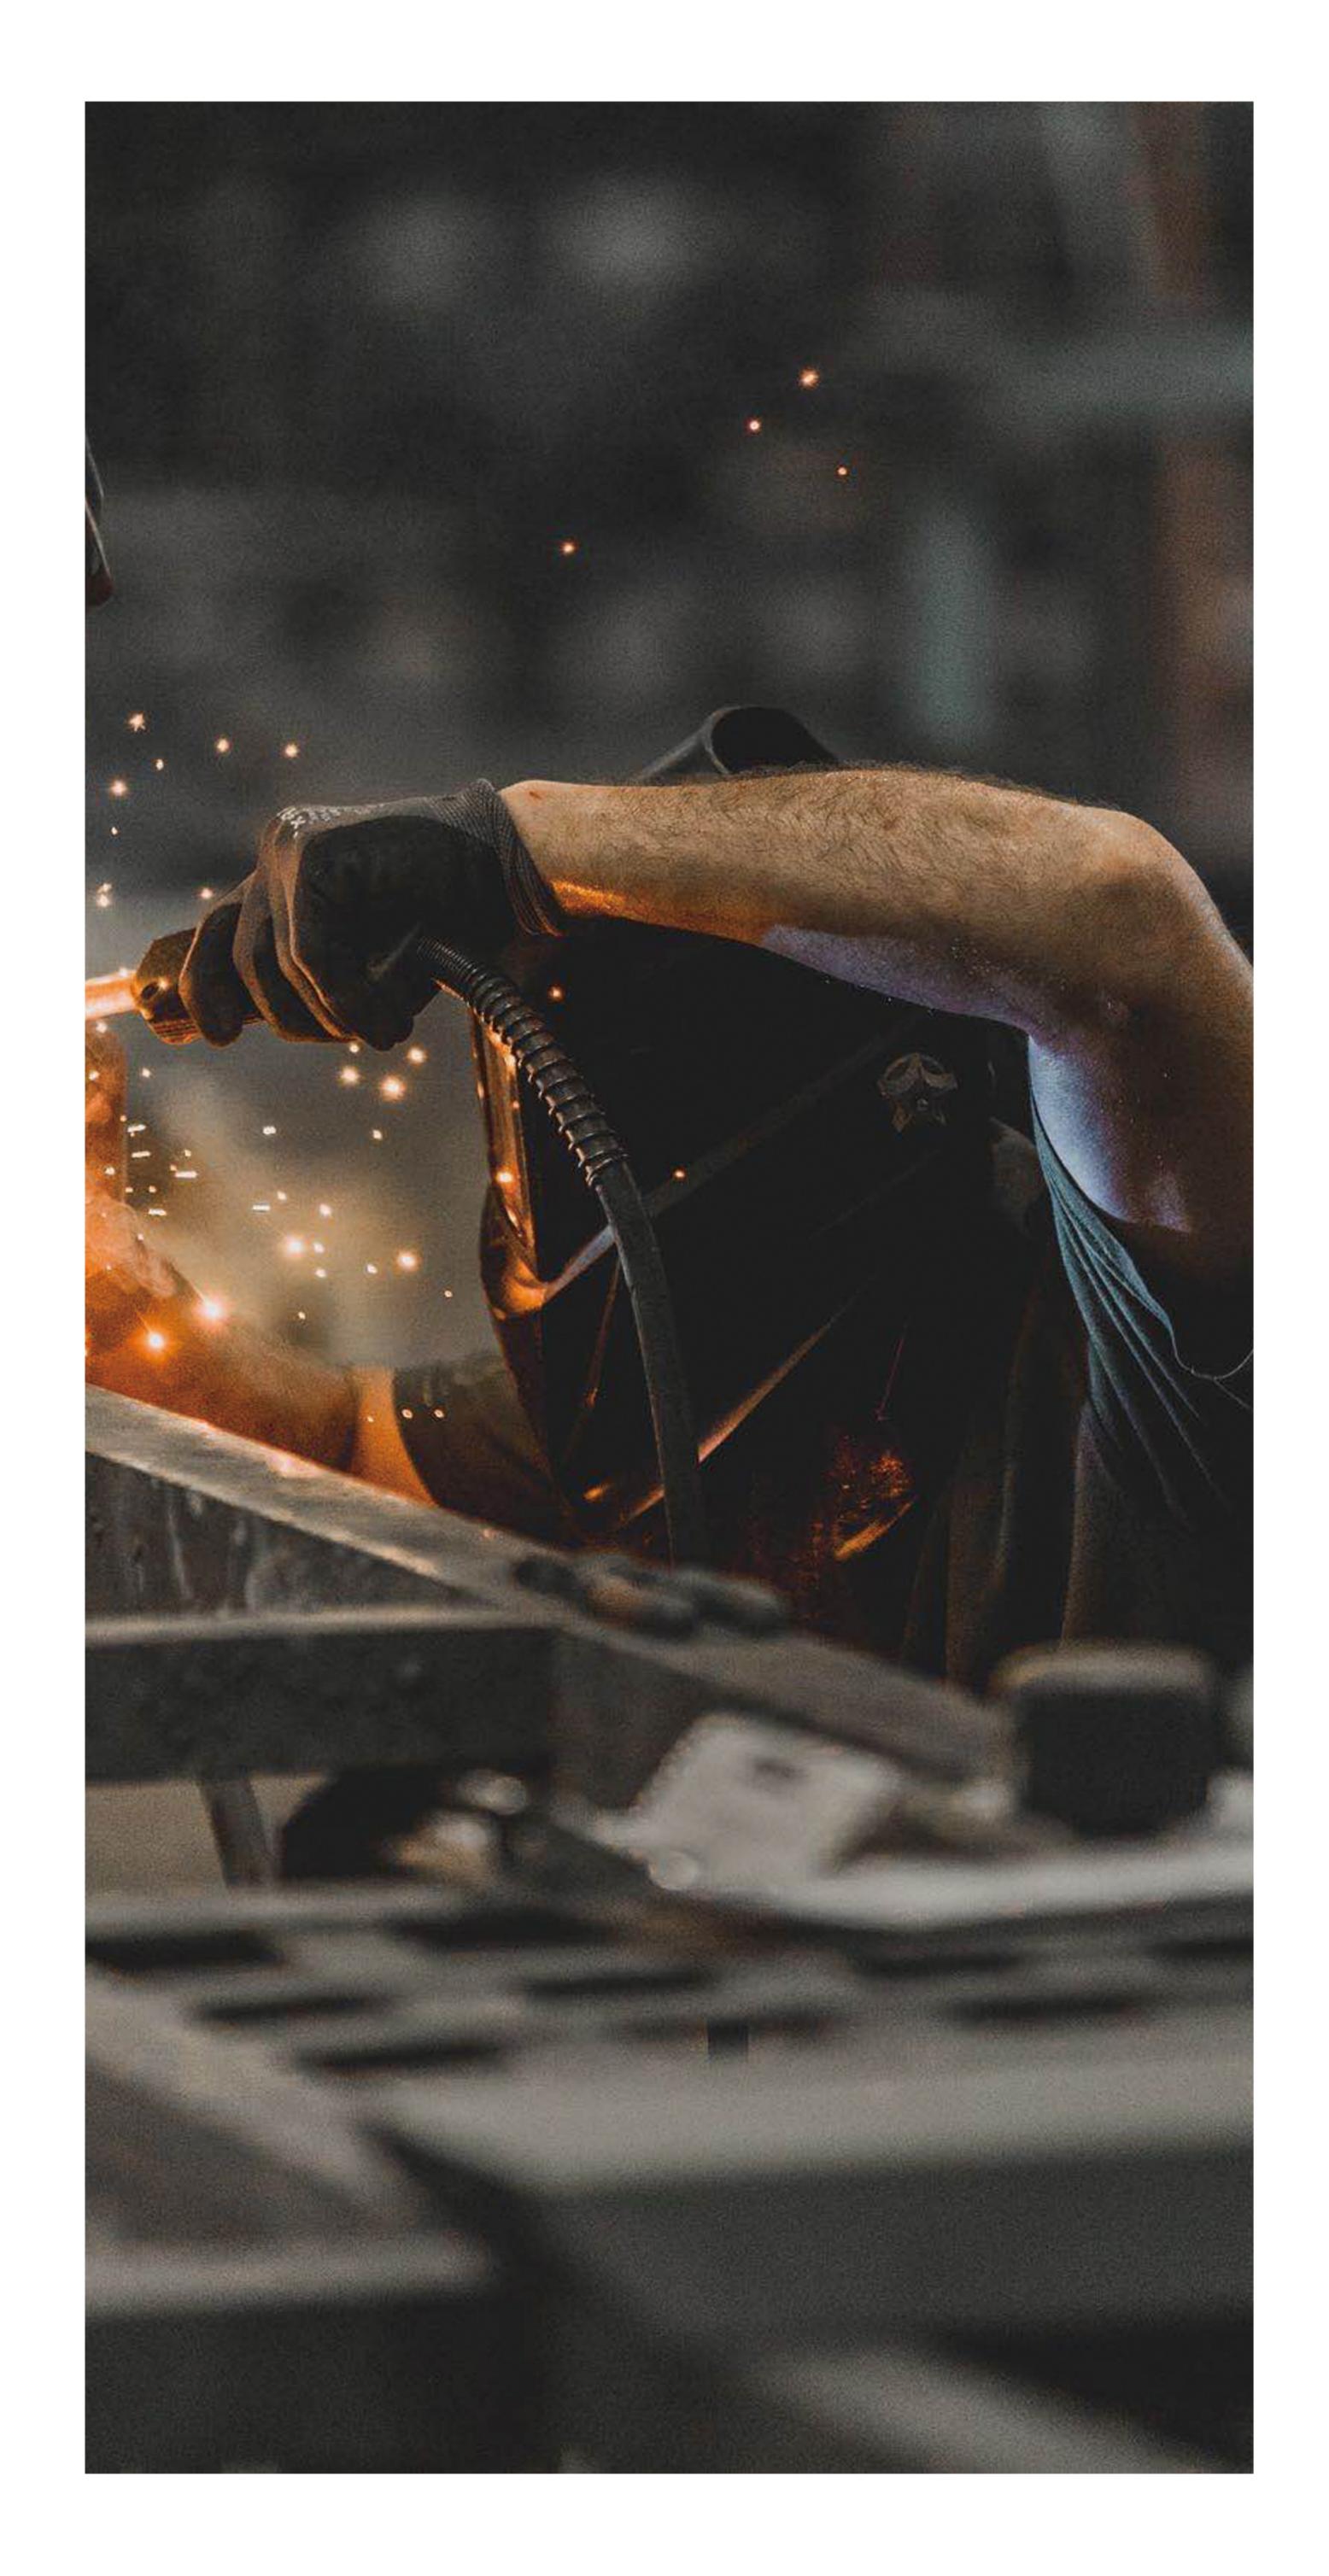

Adhere to the global strategic deployment of "going out and bringing in"

TECHNICAL SUPPORT

Only we can do the professional evaluation of welding process; The root of the weld should be penetrated.

The weld metal and heat-affected zone are not allowed to have cracks and are not fused. The difference between the two legs of the fillet weld is not more than 3mm.

Whether you've got a brand new Boleo engine, one that's been working for years, or a mixed fleet - Boleo is ready to keep you up and running.

Our dealers keep maintenance and repair parts in stock to get you back moving quickly.

Enter your Boleo engine or vehicle serial number to access emissions certificates and other important details.

TRUST US

VALUE;NORM;
AESTHETIC;SERVICE

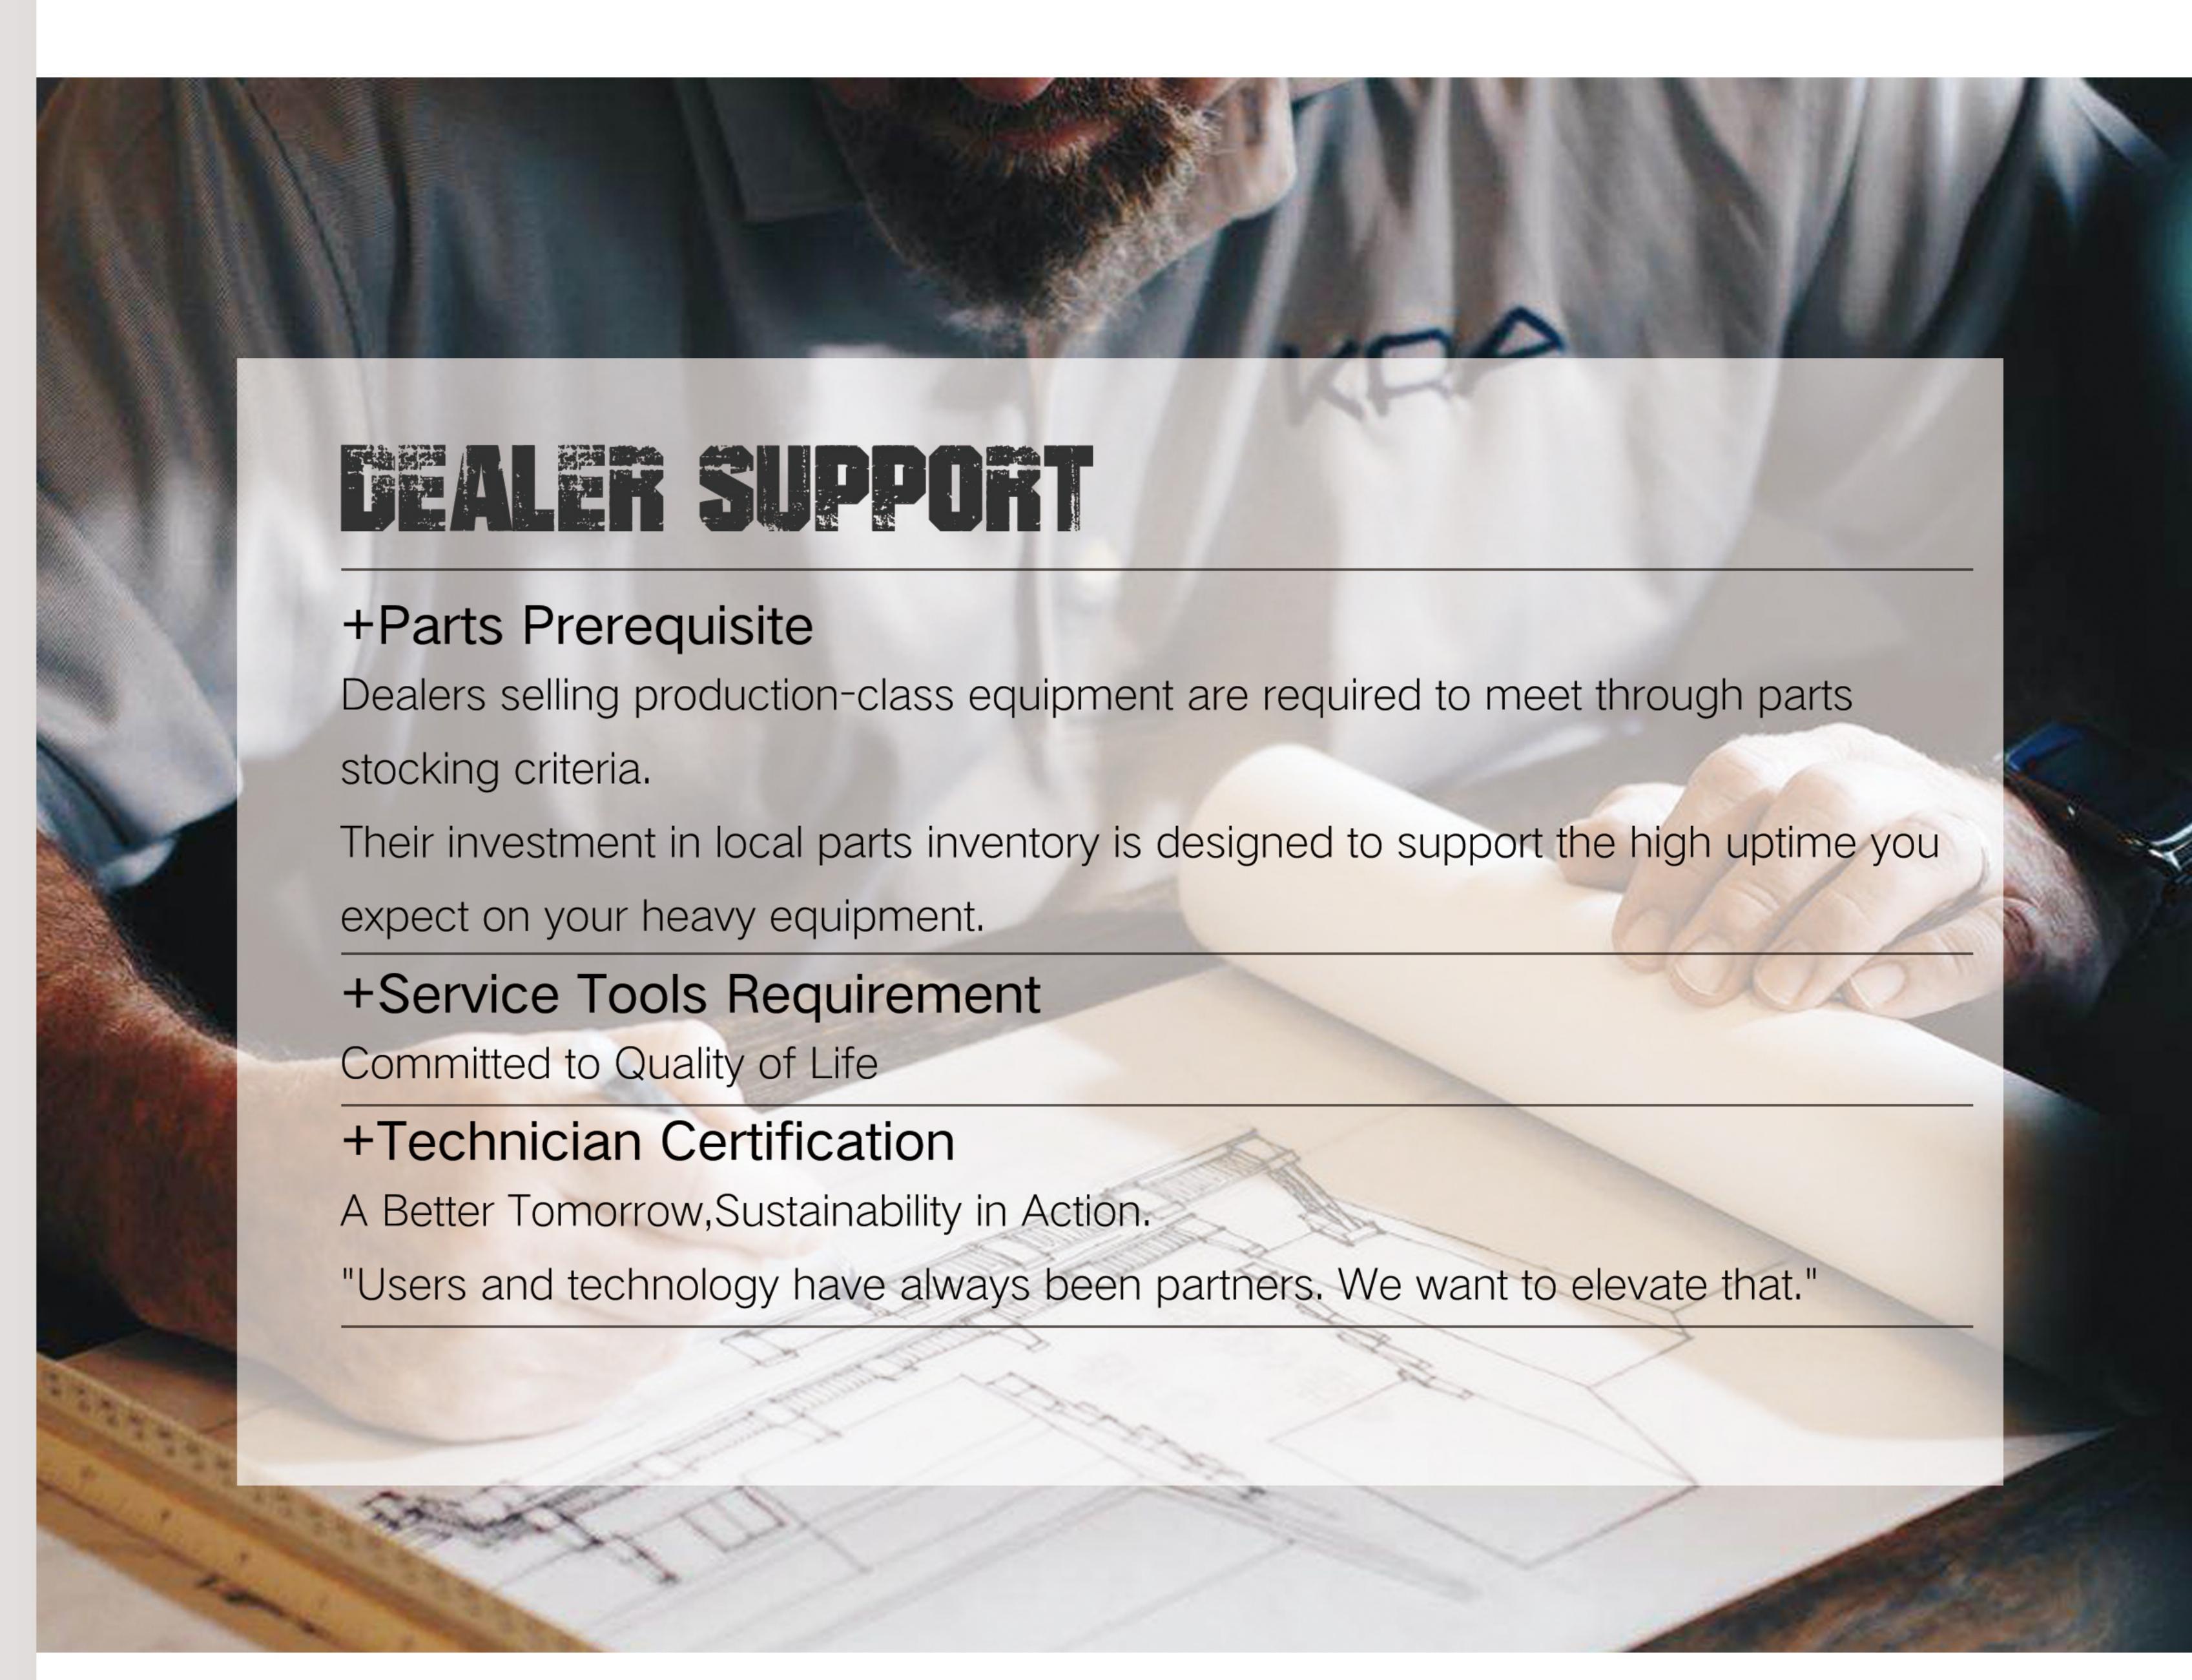

We know that behind boleo, there is a story.

A story of passion, inspiration and hard work.

We understand that the beauty of a well engineered process and best components that make a great product.

THE THIRD SPACE, ONLY FOR BOLEO!

"Upgrading, design, and quality have enabled us to take a big step ahead of our competitors. I would say that this is exactly what our customers expect from us. Boleo's products have always been a strong brand in the market.

Not only do we have to maintain this position, with these products, we can focus more on development.

We arrange for global distributors to visit our production base and hold lectures together, list and analyze and deal with problems every year, which solves the problem.

But it doesn't stop there. Our suppliers also learned the feedback from the market.

Therefore, we can obtain a number of valuable customer information.
